14. (Cont.) Provide a written response for all of the following requests under Item 14 of the application (attach additional pages where necessary):

a. The proposed conditional use complies with all applicable regulations of this chapter, including lot size requirements, bulk regulations, use limitations, and performance standards:

---

---

---

b. The proposed conditional use at the specified location will contribute to and promote the welfare or convenience of the public;

---

---

c. The proposed conditional use will not cause substantial injury to the value of other property in the neighborhood in which it is to be located;

---

---

d. The location and size of the conditional use, the nature and intensity of the operation involved or conducted in connection with it, and the location of the site with respect to streets giving access to it are such that the conditional use will not dominate the immediate neighborhood or prevent development and use of neighboring property that complies with the applicable zoning district regulations. In determining whether the proposed conditional use will dominate the neighborhood, consideration will be given to:

(i) The location, nature and height of buildings, structures, walls and fences on the site, and

(ii) The nature and extent of landscaping and screening on the site

---

---

---

e. Off-street parking and loading areas will be provided in accordance with the standards set forth in Article XI of this chapter, and such areas will be screened from adjoining residential uses and located so as to protect such residential uses from any injurious effect;

---
