

The Parks & Recreation Department continues to offer a comprehensive gymnastics program to guide children in their development of gymnastics skills, as well as self-esteem, independence, and character building, while having fun and unique experiences in a positive atmosphere. All classes will be taught at the Memorial Hall Gym, 9th & Ash Streets (please use the NW door), under the direction of Gymnastics Supervisor, Sheena Torres. If there is not at least 4 kids registered, the class will be cancelled and we will try to place you in a different, but appropriate class. Class limit is 10 for all classes. You may be asked to show a receipt to the head instructor on the first day of class if you're not listed on the roster. Fees are for one class per week; additional class times may be taken with payment of additional fees. There is a week between sessions if there is a need for a make-up class. Please keep in mind that the gym will be hot during the summer so you need to dress children accordingly. Participants may bring a water bottle. No jean shorts, please. It's up to supervisors discretion to move children from enrolled class to one that's more compatible to their skill level.

Our preschool program is divided into two different classes. **Mini-Stars** is designed for 18 month to 2 year olds with a parent on the floor. **Little Stars** are for 3-4 year olds without a parent on the floor. At no time is a parent allowed on the floor unless you are in the Mini-Stars class.

All-Stars is a transitional class for children 5-6 years old; kids that are still too young to hang with the "big kids" but ready to do big kid activities.

Technique I, Technique II & Pre X-Treme

These classes are offered to girls that have permission from their coach and are precursors to our X-Treme Competitive Team. The goal with these classes is to teach more advanced techniques and get your daughter ready for team. Technique I & II meets twice a week for one hour each and Pre X-Treme Team meets twice a week for 1 1/2 hours. Contact the Parks and Recreation office for further information. Both classes are \$30.00 per session. Pre X-Treme is \$30.00 per session

X-Treme Gymnastics Team

X-Treme Team offers girls of all ages and abilities to join the competitive team. You must have prior gymnastics experience or be tested to join the team. If you are interested, contact Sheena Torres at 826-7447.
