

Quick Problem Resolution

Objective of QPR

The City's Quick Problem Resolution (QPR) process provides an opportunity to promptly have a specific concern regarding a specific development project addressed at the highest administrative level. This process is available to owners, architects, engineers, contractors and other project-related parties.

QPR Highlights

- QPR scheduled within 48 hours of request
- Moderated by the City Manager or Deputy City Manager
- A written response is given within 24 hours of QPR
- Appeals to QPR can be made to the appropriate governing appeal board or the City Commission

Requesting a QPR

Please contact Jennifer Rein, Development Coordinator at 785-309-5715 if you wish to request a QPR.
