

## Public Safety and Private Improvements in the Public Right-of-Way and Vision Triangle at Intersections

### **Size Subject to regulation**

**13'** - Branches must hang no lower than this height over the street.

**8'** - Any growth along the trunk of a tree must be kept trimmed within this space.  
- Branches must clear this height over public sidewalks, regardless of location.

**4'** - Tallest height allowed for **front yard fence in intersection clear sight triangle**--must be of open design, with a solid portion of no more than 25%. \*(See below for other fence regulations.)

**3'** - Tallest height allowed for landscaping items **in the right-of-way**, including: hedges, bushes & landscaping materials other than grass, which cannot exceed 12 inches high. Tallest height allowed for ornamental fences in the right-of-way, such as split rail fences, with solid portion no more than 25% of the whole fence.

**width of sidewalk** - all growth must be trimmed to allow full use of all public sidewalks.

\* **Fences in front yard, outside of the clear sight triangle:** Solid walls or fences, of more than 50% solid design: 3' limit. Chain link, split rail, etc. with less than 50% solid design: 4' limit. For limits on fences located elsewhere on a property, contact Planning, 309-5720.

**Note:** trash containers are allowed in the right-of-way the **night before** pick-up and must be removed the **evening of** pick-up. For items that will not fit in a City trash cart, call 309-5790 to schedule a "special pick-up".
