The undersigned (the “**Petitioners**”), being the owners of record, whether resident or not, of the following:

1. Not less than fifty-five percent (55%) of the land area contained within the hereinafter described community improvement district; and
2. Not less than fifty-five percent (55%) by assessed value of the land area contained within the hereinafter described community improvement district.

In furtherance of such request, the Petitioners state as follows:

1. GENERAL NATURE

The general nature of the proposed project (the “**CID Project**”) is to promote the redevelopment and revitalization of the downtown Salina business district, as is more particularly described herein, by providing community improvement district financing in accordance with this petition and the Act to finance the demolition, construction, maintenance, and procurement of certain improvements, costs, and services within the District, including, but not limited to: land acquisition, infrastructure related items, streets, sidewalks, parking lots and/or structures, buildings, facilities, tenant improvements, water management and drainage related items, utilities, landscaping, lighting, art, water features and other cultural amenities, ongoing maintenance of the District, marketing, advertisement and economic development, promotion of activities and special events, training, cleaning and maintenance, and administrative costs in establishing and maintaining the District and the CID Project, and any other items permitted to be financed within the District under the Act.

2. ESTIMATED COST

The estimated cost of the CID Project is \$7,589,062 plus interest.

3. PROPOSED METHOD OF FINANCING

The proposed method of financing the CID Project is from the CID Sales Tax described in paragraph 5 of the Petition through Pay-as-you-go financing or through issuance of special obligation, general obligation or full faith and credit CID bonds/notes, at the sole election of the City, as defined in the Act.

4. PROPOSED METHOD AND AMOUNT OF ASSESSMENT

Petitioners do not propose that the CID Project be financed through the levying of assessments.

5. PROPOSED AMOUNT OF SALES TAX

Petitioners propose that the CID Project be financed through the levying of a CID sales tax in the amount of 1.0% as authorized by the Act.

6. MAP AND LEGAL DESCRIPTION OF THE PROPOSED CID
