Food Truck Question

- How far in advance can you reserve?
- How long in advance can you schedule?

Food Truck Locations:

- 100 feet from the front door of any restaurant and/or outdoor dining area
- 50 feet from any permitted mobile food vending cart location
- 15 feet from any fire hydrant
- 5 feet away from any driveway, sidewalk, utility box or vault, handicapped ramp, building entrance or exit or emergency call box.

Parking of Food Trucks:

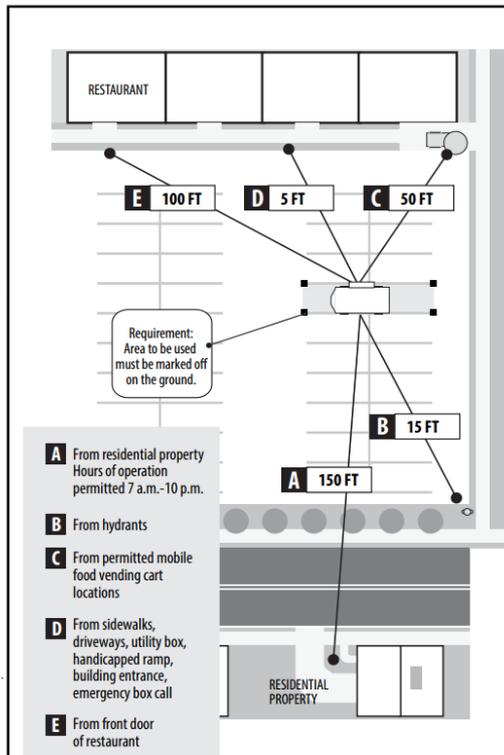

The approved location for the parking of food trucks, as shown on the zoning permit, must be physically marked. The food truck parking space can be marked with paint, tape or any other easily identifiable material. Food trucks may not be parked in an approved location after hours of operation. (See below)

Hours of Operation:

- 6 a.m. to 3 a.m. for food trucks in commercial locations
- 7 a.m. to 10 p.m. for food trucks located within 150' of a residential dwelling

Prohibitions:

- No audio amplification
- No free standing signage
- City trash receptacles may not be used to dispose trash or waste
- All areas within 5 feet of the food truck must be kept clean
- Grease and liquid waste may not be disposed in tree pits, storm drains, the sanitary sewer system, or public streets.
- Food trucks are all subject to the citywide noise ordinance. Sound absorbing devices may be used to contain or deflect the noise from external generators.

February 2016

Food Truck - Quick Reference Guide

Mobile food trucks are permitted on private property in the City of Raleigh provided certain standards are met. Proper zoning must be in place, certain development standards must be met, and appropriate permits must be issued. This is a user-friendly guide to assist in explaining the permitting process and regulatory framework around the use of food trucks. For a complete process description, please go to www.raleighnc.gov and use the key word search "Food Trucks".

Food Truck Description

A food truck is a licensed, motorized vehicle or mobile food unit which is temporarily stored on a privately-

To locate on a property in one of these zoning districts, the property must have a primary use. An example of a primary use would be a building with an active use, or an improved stand-alone parking lot. An unimproved grass or dirt lot is not a primary use. Food trucks may only serve from the right-of-way in one of four identified locations as part of a separate permitting process. The only exception to this is when the City Council has approved a temporary street closing for a city-sponsored or neighborhood event.

with a N.C. sales and use certificate, a Wake County vending permit, a copy of vehicle or trailer registration, and proof of grease disposal facility.

Copies of food truck permit, the zoning permit and plot plan for all sites of which the food truck has received owner approval for vending must be kept on the food truck at all times. Each of these permits must be renewed annually on July 1st.

Maximum Number of Trucks per Property:

- Maximum of 2 food trucks on lots of one-half acre or less.
- Maximum of 3 food trucks on lots

Required Permits:
