- What organization you represent
- Are you a morning person or a night owl?

# TODAY'S MEETING OBJECTIVES

- All Stakeholders have a high level of understanding for the project's process and their role in the process.
- All stakeholders feel they have a better understanding of the current downtown rules and regulations ( before we change them 😊 )
- Stakeholders and staff have an engaging conversation about the C4 boundaries and stakeholders make recommendations on C4 boundary adjustments (if needed).

# WHY ARE WE DOING THIS?

- Enable Downtown Salina be an active and engaging part of our community.
- Staff and stakeholders working in downtown have found a growing urgency to address increased flexibility and availability of public spaces in order to create a sense of place and a dynamic environment.
- Each of you have your own why...

# WHAT DO WE NEED TO DO?

- Develop a revised set of:
  - City codes
  - Associated policies and procedures
- The revised code and policy changes should be done in close partnership with the various stakeholders located in, around, and affected by downtown.
- The revised code, policy, and procedure should:
  - Resolve conflicting code issues.
  - Streamline the process.
  - Make understanding the requirements easier.
  - Ensure the code is dynamic and accommodating of new and creative ideas.
