

Construction Continuing Education Class

Friday, November 3rd, 2023

Sandhills Event Center

4601 N Plum St, Hutchinson, KS

The Hutchinson Builders Association is offering Contractor Training Continuing Education Classes on Hutchinson on Friday, November 3rd

We are offering two options to attend in either the morning or afternoon sessions, or both. This class will be able to be used as hours required by City of Hutchinson for your license renewal.

Instructor: **Ron Nuttall**

Ron Nuttall graduated from Texas Tech University with a degree in Business Administration and joined APA in 2017. He began his career with Georgia-Pacific's distribution division in Texas and relocated with GP to their Denver sales center in 1996. After leaving GP, he promoted engineered wood products for both TrusJoist and BlueLinX before joining APA. His responsibilities for APA include consulting with large builders, professional designers and code officials in the West Central US territory. Ron conducts workshops and presentations for designers, code officials, and other building professionals on best practices for specification, selection, and application of engineered wood products and is a provider of CEUs for designers and code officials.
