

Quick Problem Resolution

OBJECTIVE

The City of Salina's **Quick Problem Resolution** (QPR) process provides an opportunity to promptly have a specific concern regarding a specific development project addressed at the highest administrative level. This process is available to owners, architects, engineers, contractors and other project-related parties.

HIGHLIGHTS

- QPR meeting scheduled within 48 hours of request
- Moderated by the City Manager or Deputy City Manager
- A written response provided within 24 hours of QPR meeting
- Appeals to QPR can be made to the appropriate governing appeal board or to the City Commission
