

SECTION 107 – REMOVAL OF EXISTING STRUCTURES

1. GENERAL

This work shall conform to Section 202 of the Standard Specifications and shall include the removal of surface and subsurface structures and other obstructions which are encountered during construction. This item shall include any items which may not be specifically listed in the Plans but are in conflict with the new construction and which would normally be encountered upon a careful examination of the site of the work. This includes repair, plugging, or removal of existing pipe after removal of structures.

2. MEASUREMENT AND PAYMENT

If designated on the bid form, payment for this work shall be made at the contract lump sum price bid for "Removal of Existing Structures". Otherwise, no direct payment shall be made for this work as it shall be considered subsidiary to other bid items.
