 - 2) **2nd Offense:** Forfeiture of game and 1 game suspension for the head coach.
 - 3) **3rd Offense:** Forfeiture of game and season suspension for the head coach.
- b) **Practice/Game Attendance:** Unexcused absences for practices and/or games could reduce the amount of playing time, but the coach still must abide by the minimum playing time rule stated above.
 - 1) Under no circumstances should a player be penalized from baseball participation because of his participation in other summer activities such as camps, vacations or other recreational/educational pursuits.

17. SUBSTITUTIONS:

- a) **Free Player Substitution:** An unlimited number of substitutions may be made at any time during the game. Every youth who attends a scheduled game shall be entered in the batting line-up.
- b) **Defense:** Any nine players (10 for 8U Instructional & 9U Modified Leagues) may play defense at one time. However, the same batting line-up must be maintained throughout the game.
- c) **Pitcher Substitution:** A pitcher, who has been removed from the pitching position, may not reenter to pitch during the same game. However, he may reenter in any other position and will bat in his original batting order in the score book. 9U-14U Leagues: Two (2) timeouts called in the same inning for conference with the pitcher shall constitute an automatic replacement of the pitcher. Excessive conferences with other players or coaches may be considered "stalling," which if continued excessively in the judgment of the umpire, could result in forfeiture of the game.
- d) **Courtesy Runners:** No courtesy runners are allowed except for a visibly injured player and for a pitcher and catcher with 2 outs. The runner shall be the player who made the last out.

18. SUGGESTED PITCHING COUNTS:

- 19. **DROPPED THIRD STRIKE:** The batter becomes the batter runner when the catcher fails to catch the third strike before the ball touches the ground when there are fewer than two outs and first base is unoccupied or any time there are two outs. **Exceptions:** 8U Machine Pitch, 9U Modified, & All 10U Leagues, the batter is automatically out.

- 20. AUTOMATIC WALKS:** If it is decided to walk a batter before the first pitch, it must be communicated to the umpire. He then can be sent to first base without being pitched to. This rule applies to all leagues except the Instructional League where there are no walks allowed.
- 21. INFIELD-FLY RULE:** The infield fly rule (runners on 1st & 2nd bases or 1st, 2nd & 3rd bases with less than 2 outs) is in effect. **Exception:** 8U Pitching Machine & 9U Modified League.

- 23. SPECIAL RULES FOR THE 9 & UNDER MODIFIED LEAGUE:**

 - b) **Infield Fly:** The infield fly rule will not be in effect. **The batter is out, it is a dead ball and all runners will return to previous base.**
 - c) **Stealing:** Stealing is allowed, however, the base runner may not lead off and may not leave the base until the ball crosses home plate.
 - 1) **Enforcement:** If a player obviously leaves the base before the ball crosses home plate, a dead ball out will be called on the runner. If a player on any base inadvertently steps off the base, he should be warned the first time and called "out" the second time.
 - 2) **Restrictions:** A base runner may only steal one base per pitch (second base, third base, but not home). The base runner may only advance home by being forced in by a batted ball.
 - i. During a live batted ball play, a base runner may advance home on an overthrow at 3rd base.
 - ii. A base runner stealing 3rd base may not advance home on an overthrow from the catcher to the 3rd baseman.
 - iii. A base runner may not advance on an overthrow from the catcher back to the pitcher.
 - iv. A base runner may not steal when the coach is pitching.
 - d) **Run Rule:** Three (3) outs or six (6) runs per inning, whichever comes first, shall constitute a half inning, which will include the last inning of the game. After the sixth run is scored, the half inning will end. Regulation games may end in a tie.
 - e) **Walks:** Walks will not be allowed. After a pitcher has thrown four balls to a batter, a coach from the batter's team will throw up to five (5) pitches from the pitching mound. The batter will get three swinging strikes total (including live pitching strikes) to hit the ball in fair territory. If the batter does not swing at any of the pitches, he is out.
 - f) **Hit by Pitch:** If a batter is hit by a player pitching, the batter shall be awarded 1st base. The batter will not be awarded 1st base if hit by a coach pitching.
 - g) **Defense:** A maximum of ten (10) players can be on defense at the same time. The extra player must be an outfielder. Outfielders must play straight away in the grass area at the time of the pitch.
- 24. SPECIAL RULES FOR 8U MACHINE PITCH LEAGUE:**
- a) **Pitching Machine:** No players will be allowed to pitch. Batters will face a pitching machine. The pitching machine will be considered part of the field and any ball that hits the pitching machine and bounces out of the 8' circle will be considered a live ball. The 8' circle around the pitching machine denotes a "dead ball" area. If a batted ball comes to rest inside the 8' circle, a "dead ball" will be declared and the batter and runner(s) will advance one base.
 - b) **Adjustments:** The pitching machine speed will be set at 42 mph. Alignment adjustments shall be granted only by the umpire and not be made on a team/individual basis.
 - c) **Diamond size:** The pitching machine will be at approximately 46' with bases at 65'.
 - d) **Batting:** Batters will be allowed a maximum of 5 pitches or 3 swinging strikes. The batter will receive an additional pitch per foul ball on or after the 5th pitch (Exception: Any fouled bunt or foul tip caught by the catcher on or after 2 strikes and/or the 5th pitch is an out). Errant pitches such as in the dirt, way high or way outside will be called as a "no pitch" at the discretion of the umpire.
 - e) **Walks:** There are no walks and a batter does not get to take first base if hit by a pitched ball.
 - f) **Bunting:** Batters are allowed to bunt ('15 arc thrown out).

g) **Infield Fly:** The infield fly rule will not be in effect. **The batter is out, it is a dead ball and all runners will return to previous base.**

i) **Defense:** A maximum of ten (10) players can be on defense at the same time. The extra player must be an outfielder. If four (4) outfielders are used, they must play straight away in the grass area at the time of the pitch. The defensive player in the pitching position cannot be inside the circle surrounding the pitching machine, but shall be on either side of the circle behind the extended line of the pitching rubber.

j) **Time:** "TIME" will be called by the umpire after every play. "TIME" is a judgment call by the umpire and should be called when:

a. Play has ceased and runners are not obviously advancing.

b. The ball becomes in possession of a defensive player in the path area ahead of the runner.

c. No play is being made on another base.

k) **Run Rule:** Three (3) outs or six (6) runs per inning, whichever comes first, shall constitute a half inning, which will include the last inning of the game. After the sixth run is scored, the half inning will end. Regulation games may end in a tie.

l) **Stealing:** No stealing or leading off allowed. This includes wild pitches, passed balls and dropped third strikes.

****NOTE:** The purpose of the 8U Instructional & 9U Modified Leagues are to develop player fundamentals. Both leagues allow the batter more and better chances to hit the ball, which in return allows the defense to have more chances to field, throw and catch the ball. Coaches can focus more on the fundamentals of the game as opposed to one or two pitchers trying to throw strikes. These leagues are to be considered a stepping stone for real baseball in years to come.

25. PROTESTS: Protests must be submitted to Recreation office no later than 24 hours after alleged violation (except Friday games, which must be submitted Monday). Protests must be in writing and accompanied by a \$25.00 protest fee that will be returned if the protest is upheld, but forfeited if not allowed. - ◆ I will promise to review and practice basic first aid principles needed to treat injuries of my players.
- ◆ I will do my best to organize practices that are fun and challenging for all my players.

- ◆ I will remember that I am a youth sports coach, and that the game is for children and not adults.

PARENT/SPECTATOR CODE OF CONDUCT

Introduction: The essential elements of character building and ethics in sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship. The highest potential of sports is achieved when competition reflects these “six pillars of character.”

I therefore agree:

- ◆ I will not force my child to participate in sports.
- ◆ I will remember that children participate to have fun and that the game is for youth, not adults.
- ◆ I will inform my coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
- ◆ I will learn the rules of the game and the policies of the league.
- ◆ I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials, and spectators at every game, practice, or other sporting event.
- ◆ I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player or parent, such as booing and taunting; refusing to shake hands; or using profane language or gestures.
- ◆ I will not encourage any behaviors or practices that would endanger the health and well-being of the athletes.
- ◆ I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
- ◆ I will demand that my child treat other players, coaches, officials and spectators with respect regardless of race, creed, color, sex or ability.
- ◆ I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.
- ◆ I will praise my child for competing fairly and trying hard and make my child feel like a winner every time he/she participates.
- ◆ I will never ridicule or yell at my child or other participant for making a mistake or losing in a competition.
- ◆ I will emphasize the importance of skill development and regular practice with younger players, and how they will benefit my child more than an emphasis on winning and competition.
- ◆ I will promote the emotional and physical well-being of the athletes ahead of any personal desire I may have for my child to win.
- ◆ I will respect the officials and their authority during games and will never question, discuss or confront coaches at the game field. Instead, I will take time to speak with coaches at an agreed upon time and place.
- ◆ I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol, and I will refrain from their use at all sports events.
- ◆ I will refrain from coaching my child or other players during games and practices, unless I am one of the official coaches of the team.
