## T.A.K.E. Self-Defense Training (Adult & Youth)

We've all been there; in a situation that makes you feel just a little bit uneasy. Sometimes it's walking to your front door at night — darkness can play some scary tricks on you. Other times it's in bright daylight, when that stranger walking toward you gives you an unwarranted stare that throws your sense of comfort a little out of whack.

Well, "About Us" is really about you. It's all about your education, safety and peace of mind; things that every young girl and woman should have and hold dearly. T.A.K.E. Defense Training provides girls and women of all ages with unique reality-based, hands-on self-defense training. Such training provides safety awareness that everyone needs and deserves.

Your T.A.K.E. training, an integral element in the comprehensive safety awareness program, will take place in a two-hour session held at various facilities. When you attend a class, you'll receive priceless awareness education and practical application of the skills demonstrated and learned in the session. We will also cover internet safety, community safety, home safety, safe travel and much more. It's our goal to give you the advantage if you're ever in a situation that makes you question your safety.

So whether you're in search of that advantage to feel in control of everyday situations, or you want to make sure a bad experience is never repeated, take part in T.A.K.E Defense Training. Power: You have it in you.

Class is Free, but a donation of \$15 on the day of the event, to go directly to The Ali Kemp Educational Foundation is suggested.

## Voice of the Wind People

This beautifully presented story depicts the changes affected by two vastly different cultures. As the Kaw Indians were being relocated and European American settlers were beginning to populate Council Grove on the Santa Fe Trail, the dynamics of these two cultures co-existing proved to be intense. The performances take place at the Neosho Riverwalk Amphitheater near historic downtown Council Grove and adjacent to the Santa Fe Trail crossing on the Neosho River. The production incorporates historic photos, images of the prairie landscape, and video images with the live-action of a pack train, wagon train, stagecoach, riders on horseback, tepees and the campfire of a Kanza village. Approximately 45-50 Kanza Indians of the Kaw Nation from Kaw City, OK, whose ancestors once lived in the Council Grove area, return to participate in this production. They provide the principal narration of Chief Allegawaho, enact village scenes, and perform dramatic roles and traditional dances.

## Foster Parents:

Foster homes feed, care, train, socialize and most importantly love shelter animals. The need for more foster families is ever present as every day more animals are being released to the shelter.

Foster parents take in sick or injured dogs and cats needing quiet space and extra attention as well as expectant and nursing moms with their puppies and kittens.

The TLC given in foster care, in addition to the extra space foster families provide, allow for fewer animals to be euthanized.

## Serving Saline County

The Salina Animal Shelter provides services to the Saline County outside the City of Salina. If you find a stray dog or domesticated cat in the county you can drop it at the shelter so that it can receive the care it deserves. The Salina Animal Shelter will also accept owner surrenders from Saline County residents for adoption.

## Dog Park

The City of Salina has two public dog parks; Barkley Park, and the Salina Animal Shelter Dog Park. Barkley Park is a fully fenced, 2-acre public dog park located South of Dean Evans Stadium on Markley Rd, and is open to the public daily from 5am to 12am. A second, smaller dog park is located at 329 N 2nd directly behind the Salina Animal Shelter to the west. This park is also open from 5am to 12am with the exception of a daily closure from 9am to 11am Monday through Friday. Your dog must be over 4 months of age and have a current rabies shot and city license (Salina residents only) to visit either park. Remember also keep your dog on a leash until you are inside the park.

## Adopting? Look past appearances!

A common mistake made by adoptive families is choosing a pet based on appearance and not compatibility. We recommend describing the individual qualities you are seeking, and then researching which breeds will fit your lifestyle. You may be surprised at what you find, or "who" you find. Regardless of what you have your heart set on, we can still help you find it!

The Parks & Recreation Department has two gazebos available for your use at no charge: One small gazebo in the Oakdale Park Formal Gardens and one small gazebo in Sunset Park. The large gazebo in Jerry Ivey Park can be reserved for a minimal charge. The Eric Stein Stage at Oakdale Park can also be reserved. Potential users of the Eric Stein Stage and the Jerry Ivey Gazebo are required to fill out a facility request form to reserve these facilities. Contact Salina Parks and Recreation for more information.

## Park Restrooms

Seasonal restroom facilities are available at community parks and larger neighborhood parks. Restrooms are open early April until late October. Year-round heated restrooms are available in Oakdale Park, Jerry Ivey Park, Bill Burke Park, and Berkley Family Recreation Area.

## Spray Grounds

There are water playgrounds at two different park sites. Located in Centennial and Hawthorne Parks, the spray grounds have both in-ground and above-ground interactive features, built-in seating, and shade structures. These facilities will be open daily throughout warm weather months of May thru September, weather permitting.
