REFUND POLICY

Program Registration:

For persons wishing to cancel their registration for any activity sponsored by our department, a full refund will be issued if staff is given at least 72 hours prior to the start of the activity. If notice is given greater than 24 hours and less than 72 hours prior to the start of the activity, a 50% cancellation fee will be withheld and the remaining amount will be refunded or credited to the user account. Notices given less than 24 hours prior to the start of the activity, or a participant's failure to show, will not be eligible for a refund. Extenuating circumstances will be reviewed and handled on a case-by-case basis.

Facility Reservations:

For persons wishing to cancel their facility reservation will need to notify the Salina Parks and Recreation office at least 2 weeks prior to the reservation to receive a full refund of the rental fee. If cancelled within 2 weeks of the event, a 50% cancellation fee will be withheld and the remaining amount of the fee will be refunded or credited to the user account. No refund will be offered due to failure to notify Salina Parks and Recreation or non-use of facility. Extenuating circumstances will be reviewed and handled on a case-by-case basis.

Trips and Tours

For trips with a registration deadline, cancellations will be accepted and a full refund will be issued prior to the registration deadline. Cancellations that occur after the registration deadline will require a replacement person in order to receive a full refund. Openings will be filled from an established waiting list.

If no replacement participant is available, persons who wish to cancel their registration after the deadline will only be eligible for a pro-rated credit to the user account. The credit amount will be equal to the actual, per person fees recovered by staff including any non-refundable deposits or ticket purchases.

For those trips with no registration deadline, cancellations will be addressed in the same way as described above. However, all refund requests will be handled on a case-by-case basis, with the amount to be determined by the timing of the request and the refund policy of each specific trip destination. Extenuating circumstances will be reviewed and handled on a case-by-case basis.

YOUTH ATHLETICS

Soccer Youth 3 v 3 - Summer

Get ready for some fast-paced soccer fun! Salina Parks & Recreation is excited to offer a Youth 3v3 Soccer League for players currently in 1st through 8th grade (based on the 2024/2025 school year). This smaller-sided format is perfect for off-season skill development, offering players more touches on the ball and a fun alternative to traditional full-sided soccer. Whether your child is looking to sharpen their skills or just have a blast with friends, this league is a great summer option!

League Divisions are as follows: 1st/2nd Grade | 3rd/4th Grade | 5th/6th Grade | 7th/8th Grade

Season Dates: June 9th – August 28th (approximately)

3 v 3 Played on a 30 x 40 field - no keepers - 12 min half - 2 min halftime. 6 players max on roster unless approved otherwise by director. Monday, Tuesday, Thursday possible play days. No weekends. We will reserve the right to play other days based on numbers of teams in league. You play in the division of your oldest player. Grade is based on current 2024/2025 school year.

SWIM LESSONS

Swim Lessons

The Salina Parks & Recreation Department is offering morning and evening swim lessons for the 2024 Summer season at Kenwood Cove Aquatic Park.

The prerequisite for each class level is the successful demonstration of the skills taught in the previous level. We currently do not have a record of swimclass history. Beginners start at Level I, which does not have a skill prerequisite, however, the minimum age is 5.

To provide safe, age-appropriate activities, the Learn to Swim program is hesitant to make exceptions to age designations. Class sizes are limited in order to provide high-quality instruction and experience. Water safety staff reserve the right to change class placement for students to assure that they are receiving the proper level of instruction. Students are limited to once class per session.

Swim Lessons - Infant/Toddler with Parent

This course will help young children become comfortable in, on and around the water so that when the time comes, they are ready to learn how to swim. The instructor will introduce new swimming and water safety skills that are developmentally appropriate and engaging for infants and young children.

It is important to understand that Parent and Child Aquatics is not designed to teach children to become good swimmers or even to survive in the water on their own. This class introduces you and your child to basic skills. As parents, you learn how to safely work with your child in the water, including how to appropriately support and hold your child in the water and how to prepare and encourage your child to participate fully and try the skills. In addition, you are introduced to several water safety topics. Your child receives an introduction to basic skills that lay a foundation for learning to swim. An adult - it could be a parent, guardian or caregiver - is required to accompany each child in the water and participate in every class. The adult participants learn too!

Parent & Child - Session 1	Age: 6m-2yr 11m			
Mon-Thu	6/2-6/12	10:00 AM - 10:30 AM	\$38	Kenwood Cove

SWIM LESSONS

Swim Lessons - Preschool

For each level of Preschool Aquatics, our instructors follow a plan to introduce new swimming and water safety skills that are developmentally appropriate for young children. Preschool Aquatics puts the “fun” in fundamentals. Each class is loaded with enjoyable, engaging and challenging activities that motivate children to want to perform and learn to swim. In Preschool Aquatics Level 1, your child is introduced to basic skills. These skills lay the foundation for developing water competency and the future skill development of swimming strokes. In addition, your child starts to develop positive attitudes and safe practices around the water. In Preschool Aquatics Level 2, your child continues to lay the foundation for developing water competency and further skill development. This level marks the beginning of independent aquatic locomotion skills. Children continue to explore using simultaneous and alternating arm and leg actions on the front and back to gain greater proficiency in preparation for performing strokes. Preschool Aquatics Level 3 is for young children who are more independent in the water. New swimming skills and water safety skills are introduced to further the child’s development of water competency preparing them for learn to swim classes.

SWIM LESSONS

Swim Lessons (Levels 1 - 6)

Our Water Safety staff will determine the level your child will be in on the first day by age and skill level. After the first day of class your child will be in a set class for the rest of the session.

For every level of Learn-to-Swim, our instructors follow a plan to introduce new swimming and water safety skills and build on previously learned skills.

Each class is loaded with fun, engaging and challenging activities that motivate children to want to perform and learn to swim. It is common for children to participate in several sessions of a level before they successfully demonstrate each skill. That is okay! It is not important how quickly they move through a level, but that they acquire each skill.

Level 1 - Introduction to Water Skills, your child is introduced to basic skills as the foundation for future skills and the development of water competency (the basic minimum skills needed for water safety).

Level 2 - Fundamental Aquatic Skills builds on skills learned in Level 1. Your child begins to perform skills at a slightly more advanced level and begins gaining rudimentary propulsive skills on both the front and the back. This level marks the beginning of independent aquatic locomotion skills.

Level 3 - Stroke Development builds on skills learned in previous levels. Your child learns to swim the front crawl and elementary backstroke at rudimentary levels, is introduced to the scissors and dolphin kicks, learns the survival float and increases the time duration for treading water. Your child also learns the rules for headfirst entries and begins to learn to enter the water headfirst from a seated position at the poolside in 9 feet deep water or deeper.

Level 4 - Stroke Improvement works on improving the swimming stroke proficiency and swimming for longer distances.

Level 5 - Stroke Refinement, the instructor follows a plan to refine all six swimming strokes including swimming for longer distances. The expectations are higher in regards to distance and quality.

Level 6 - This level is split into two sections that the participant can pick from; Personal Water Safety or Fitness Swimmer.

Friends of the River Foundation and the Smoky Hill Museum are partnering to create guided river walks spotlighting the history of the Smoky Hill River as it runs through the heart of Salina. Salina's past will come to life with info, stories, laughter, and more. When research is complete, seven different history walks will be offered featuring seven different sections of the river. Friends of the River Foundation is a proud funded partner of the Salina Area United Way.

If you would like to be on a list for future river history walk information, please contact Nona Miller at the Smoky Hill Museum, 785-833-8023.

REGISTRATION only on the Smoky Hill Museum website, open May 1, 2025 by 9 am.

Maximum is 30 participants per walk. More info about where to meet will be given during registration.

Oakdale Park: The Heart of Community

Discover the history of Salina's beloved Oakdale Park, hugged on three sides by the Smoky Hill River. Explore how Salina made this bend in the river its community gathering spot, from horse racing to boating to the Smoky Hill River Festival. We'll also touch on the adjacent South Park, a mostly forgotten park that once hosted both schools and a band shell. Learn how these parks played a vital role in Salina's recreational and arts history. *(Walk will take us around Oakdale Park.)*

Date: June 21, 2025 **Time:** 9:30-10:45 am

Founders Park and Iron Avenue: Salina's Beginnings

Walk in the footsteps of Salina's founders as we explore how the Smoky Hill River was integral to our city's founding. Curving along the eastern edge of downtown, the river has seen everything from the first house to ferries, trains, mayhem, movies, and more. Come discover Salina's early history with us. *(Walk will take us along Iron Avenue and through Founders Park.)*

Salina Municipal Golf Course

2500 E. Crawford Salina, KS 67401
785-826-7450
www.salinamuni.com

The first 24-hole golf facility in the state of Kansas features an 18-hole regulation golf course and a unique 6-hole short course. A spacious driving range, putting green, and state of the art short game area enhance the courses. With green fees consistently ranking among the lowest in the state and turf manicured to country club quality, golfers can expect a very enjoyable day!

"The Muni," is home to many group outings, leagues, tournaments and other special events. A multipurpose room is available for meetings and functions after play. Tee times can be reserved seven days a week on the 18-hole course. Playing time typically averages around 4 hours for 18-hole play during the season.

Located in Salina, Kansas – a city uniquely situated at the junction of I-135 and I-70-it features 6500 yards of rolling blue grass fairways in as fine of condition as any in the region. The large bent grass greens are normally quick and smooth and can be very deceiving with a prevailing southerly breeze. Four tee boxes on each hole give players of any ability a chance to test their skills.

First Tee of Salina

Youth of all ages, backgrounds and abilities will have the opportunity to experience and learn the game of golf, and its inherent values, thanks to First Tee - Salina and its area supporters. Golf instruction, Life Skills and play on our unique short course/ short game area at Salina Municipal Golf Course will be featured in all sessions.

Our focus has been, and will continue to be, on our kids. Kids become a better version of themselves when they have the space to be who they are, surrounded by passionate people who guide them to see what they are capable of. First Tee - Salina makes this happen through our dedicated coaches and proven life skills curriculum.

For more information, go to www.firstteesalina.org or call 785-833-8227.

WELCOME TO WONDERLAND

JUNE 3-6

Tea anyone? We will explore Alice in Wonderland and the Mad Hatters Tea Party in this fun imagination filled class. We will make a Mad Hatters hat headband, a magical teapot and a Cheshire cat.

THE OCEAN, IT CALLS TO ME...

JUNE 10-13

Inspired by the movie "Moana," we will create the heart of Tafiki, make a seashell frame, a shiny crab and a Moana flower headband.

LET'S GO CAMPING!

JUNE 24-27

Come explore the great outdoors! Join the fun as we create a campfire, a lantern, a woodland animal and more!

DRAGONS!

JULY 8-11

Scary or cute, dragons are popular in books and movies. It is fun to imagine what they would look like. Come join the fun creating your own unique dragons!

CRAZY CRITTERS

JULY 15-18

Have you ever wished you could change something about yourself? Add something new or take something away? We will explore some books like *Snarlyhissopus* by Alan MacDonald, *Still a Gorilla* by Kim Norman, and *I Wish that I had Duck Feet* by Dr. Seuss and create our own crazy critters.

YEAR OF THE SNAKE

JULY 22-25

What's your sign? Have you ever read your horoscope? Zodiac signs are common here and also in China. Come join the fun as we explore and learn about the zodiac signs and create some unique art based on our birthday!

Foster Parents:

Foster homes feed, care, train, socialize and most importantly love shelter animals. The need for more foster families is ever present as every day more animals are being released to the shelter.

Foster parents take in sick or injured dogs and cats needing quiet space and extra attention as well as expectant and nursing moms with their puppies and kittens.

The TLC given in foster care, in addition to the extra space foster families provide, allow for fewer animals to be euthanized.

Serving Saline County

The Salina Animal Shelter provides services to the Saline County outside the City of Salina. If you find a stray dog or domesticated cat in the county you can drop it at the shelter so that it can receive the care it deserves. The Salina Animal Shelter will also accept owner surrenders from Saline County residents for adoption.

Dog Park

The City of Salina has two public dog parks; Barkley Park, and the Salina Animal Shelter Dog Park. Barkley Park is a fully fenced, 2-acre public dog park located South of Dean Evans Stadium on Markley Rd, and is open to the public daily from 5am to 12am. A second, smaller dog park is located at 329 N 2nd directly behind the Salina Animal Shelter to the west. This park is also open from 5am to 12am with the exception of a daily closure from 9am to 11am Monday through Friday. Your dog must be over 4 months of age and have a current rabies shot and city license (Salina residents only) to visit either park. Remember also keep your dog on a leash until you are inside the park.

Adopting? Look past appearances!

A common mistake made by adoptive families is choosing a pet based on appearance and not compatibility. We recommend describing the individual qualities you are seeking, and then researching which breeds will fit your lifestyle. You may be surprised at what you find, or “who” you find. Regardless of what you have your heart set on, we can still help you find it!

Facility Reservations

Salina Trails

Located throughout the city, Salina Trails is a system of 24 miles of dedicated trails for pedestrians and bikers. Some of these trails are existing, some are planned and some are proposed for the future. Currently there are 13 miles of completed or planned trails and 11 miles of proposed trails. The trails can be divided into four different types: levee trails, multi-use, the Smoky Hill River Trail and Park nature/walking trails. Plus one mountain bike trail.

A map of all the trails can be accessed on the Parks and Recreation web site, visit www.salinaparks.com

The Parks & Recreation Department has two neighborhood centers and two buildings in the parks available for use for civic organizations, family reunions, club meetings, and receptions. Reservations may be made one week before or up to one year in advance. Rental Fee is due at time of reservation. All potential users of all facilities are required to fill out a permit application to reserve these facilities. For information, view availability and to download form, visit www.salinaparks.com.

Please stop by Salina Parks and Recreation to reserve these facilities. Call 785-309-5765 for more information.

*Rental charges subject to change

For persons wishing to cancel their facility reservation will need to notify the Salina Parks and Recreation office at least 2 weeks prior to the reservation to receive a full refund of the rental fee. If canceled within 2 weeks of the event only 50% of the reservation fee will be refunded. No refund will be offered due to failure to notify Salina Parks and Recreation or non-use of facility.

Gazebos & Stage

The Parks & Recreation Department has two gazebos available for your use at no charge: One small gazebo in the Oakdale Park Formal Gardens and one small gazebo in Sunset Park. The large gazebo in Jerry Ivey Park can be reserved for a minimal charge. The Eric Stein Stage at Oakdale Park can also be reserved. Potential users of the Eric Stein Stage and the Jerry Ivey Gazebo are required to fill out a facility request form to reserve these facilities. Contact Salina Parks and Recreation for more information.

Park Restrooms

Seasonal restroom facilities are available at community parks and larger neighborhood parks. Restrooms are open early April until late October. Year-round heated restrooms are available in Oakdale Park, Jerry Ivey Park, Bill Burke Park, and Berkley Family Recreation Area.

Spray Grounds

There are water playgrounds at two different park sites. Located in Centennial and Hawthorne Parks, the spray grounds have both in-ground and above-ground interactive features, built-in seating, and shade structures. These facilities will be open daily throughout warm weather months of May thru September, weather permitting.
